Clariant iGarage

**EMBRACING THE SPIRIT OF START-UPS TO ANSWER THE CHALLENGES OF TOMORROW**

**Oliver Gluth**, Innovation Garage Discovery Lead, Clariant Innovation Excellence, Clariant

The iGarage is an innovation initiative to address strategic growth fields and societal challenges. Innovating with agility like start-ups, embracing uncertainty, a rapid learning and entrepreneurial spirit, while leveraging agile and design thinking methodologies, allow us to deeply understand these opportunities and develop truly sustainable, innovative solutions. Leveraging our unique scale-up capabilities and resources, will enable us to make a real impact on the challenges of tomorrow and help drive a profitable growth agenda.
